

This summer, all over the county, we are inviting women to come along and #HaveAHit. This is an opportunity like never before for more women who have never played cricket to just come along and have a go.

Soft Ball Cricket is about getting out and playing with maximum fun and minimum fuss. No pads, no hard ball, no heavy bat, no head-scratching rules and definitely no judgment. It's a game for absolutely all women, no matter their skill level, fitness, or age.

Turn up **for free** and we promise **a warm welcome, a free T-shirt, music, food and drink**, all the best things about a festival. There will be small teams of 6-8 players, with lots of quick games where everyone is involved. So why not bring friends, family, a sports team, or even a work team down to one to the Sussex Festivals over the summer. No problem if you want to sign up on your own, we'll find a team for you and introduce new friends.

All you need to do is click on one of the links to reserve your T-shirt and we will get right back to you to confirm.

Look forward to seeing you
